Specific Area of Focus: **Individuals or organisations whose behaviour and achievement inspire, energise and give hope to others**

Laureate: **James Earl “Jimmy” CARTER**

Mr. Jimmy Carter is awarded the Positive Energy Prize for all the good work that he and The Carter Center that he established in 1982 have done, which

has contributed significantly to the promotion of positive life attitude and enhancement of positive energy in the world. By bringing peace, prosperity, good health and hope to millions, and by fighting for human rights and a just society, Mr. Carter has inspired, energised, given hope and imparted positive energy to people around the world.

Dr. Lui Che Woo, Founder & Chairman of the Board of Governors cum Prize Council of the LUI Che Woo Prize, said, “Today is an important milestone for the LUI Che Woo Prize – Prize for World Civilisation. The Prize was established with the aim to promote world peace, mutual respect and support, and create an environment where people can cherish and enjoy our Earth’s precious natural resources. With the announcement of its first laureates, I hope we can build a caring and loving world.”

Dr. Lui expressed his hope that the three laureates may keep forging ahead in their respective fields, making their ideas and contributions universally accessible in order to benefit society and spread more positive energy to the world at large.

Professor Lawrence J. Lau, Chairman of the Prize Recommendation Committee, said, “In contrast to other international Prizes with fixed fields, the LUI Che Woo Prize covers a variety of fields, and laureates are not limited to
